05/03/2018

ATLANTA, Georgia—On May 3, Vizient MidSouth announced the winner of the Leadership Excellence Award at its annual Trustee Institute event.

The purpose of this award program is to recognize the top Vizient MidSouth member at the health care organization (HCO) or system level who demonstrates superior performance, cost savings, and improvement in clinical, financial and operational excellence relative to their peers.

The award is based on meeting threshold and performance criteria in each of the three focus areas.

“The Leadership Excellence Award gives us the opportunity to recognize the excellent health care provided by our member organizations. Their success translates into high quality care and service provided to patients and families in their communities, and we could not be more proud to highlight their success,” said Bill Senneff, President and CEO of Vizient MidSouth.

Congratulations to this year’s winner:
