

Magnolia Regional Health Center joins Vizient Southern States

06/17/21

ATLANTA, Georgia— Vizient Southern States announced a new agreement with Magnolia Regional Health Center (MRHC), Corinth, Mississippi, at its last board meeting. The agreement includes participation in Vizient Southern States' educational programming through service line networks and improvement communities, analytics and benchmarking reports, and other offerings through the Activ8 platform.

"We are excited to welcome Magnolia Regional to the Vizient Southern States' membership," said Bill Senneff, President and CEO of Vizient Southern States. "By aligning their initiatives with our network opportunities and performance improvement programs, we believe we can help them meet the health care needs of the communities they serve."

"Our newly formed partnership with Vizient Southern States is an exciting opportunity for our organization to achieve operational goals more efficiently and continuously improve our performance," said Jim Hobson, chief executive officer at MRHC, "As the healthcare industry continues to evolve, it is important for our team to ensure that we are tapping into the industry's best resources and utilizing Vizient Southern States' strengths and capabilities to continue to provide the highest quality care for our patients."
