

Vizient Southern States announces 2020 Brilliance Award winner

09/21/2020

ATLANTA, Georgia—Last week, Vizient held its first ever fully-virtual Connections Education Summit. As part of the conference, members were selected from a total of 724 submitted abstracts to participate in one of the 145 poster and Power Huddle sessions. For the virtual Summit, presentations and posters included a new feature: on-demand viewing of member-recorded sessions that were made available to Summit registrants.

This year, a Vizient Southern States' member was selected to present at both of the sessions. Their abstracts had to meet criteria in the areas of Background, Intervention Detail, and Outcomes and Impact in one or more of the following categories:

- Leading and managing systems
- Engaging your workforce
- Optimizing care delivery (with focused attention on):
 - Service line optimization
 - Pharmacy strategies for quality, safety and cost enhancement
 - Clinical supply integration

Because it is an honor to be selected, Vizient Southern States is recognizing its member with two regional Brilliance Awards that will be presented to them at a later date. Congratulations to this year's winner!

- Ochsner Health System – New Orleans, Louisiana

We also want to recognize additional Vizient Southern States' members that submitted abstracts.

- Floyd Medical Center – Rome, Georgia
- Navicent Health – Macon, Georgia
- Our Lady of the Lake Regional Medical Center – Baton Rouge, Louisiana
- Singing River Health System – Pascagoula, Mississippi
- Wellstar Health System – Marietta, Georgia

“Vizient Southern States is proud to recognize Ochsner Health System with two Brilliance Awards for improvements made throughout their organization. It has been a challenging year, and we want to show our appreciation for all that they do to provide high quality care in their communities,” said Bill Senneff, president and CEO of Vizient Southern States.
