

Georgia Medical Resource Pool is now Phoenix Workforce Solutions

January 6, 2020 – Atlanta, GA

Georgia Medical Resource Pool, LLC (GMRP), is now Phoenix Workforce Solutions, LLC. Our new name will allow us to expand our offerings geographically while still delivering quality medical staffing solutions to Vizient Southern States' member hospitals across Georgia, Louisiana, Mississippi and Tennessee.

In the coming weeks, we will be updating all of our print and digital communications to reflect our new company name and logo.

[About Phoenix Workforce Solutions](#)

Phoenix Workforce Solutions is a subsidiary of Phoenix Health Care Management Services, Inc., and is committed to providing high quality, contingent staffing professionals to assist health care organizations with workforce challenges.
